COMMITTEE ROOM, Salt Lake City, July 24th, 1886.

Committee Roos. Salt Lake City.
July 24th, 1886.

The committee's report was adopted.
Mr. Hodgson then moved that the names of the nominees be presented to the convertion senarately.
H. A. Woolley objected to this method of processure and moved that the nominees be sustained as a whole.
This gave rise to some discussion, and Mr. Burgon, of Sandy, made a stong speech, in which he objected to the accepting of the nominees as a whole. It might be he said, that all the nominees of the convention save one might be satisfactory to the convention and if that were the case that man should be voted against. It might be, he said, that the law results who would be satisfactory to all concerned, but it seemed to him that if there was one man on the ticket who could not be honestly ustained by any member present, now was the time and here the placer to raise the objection. The question being finally put, the notion to sustain the ticket as a whole was adopted.

The charman then said there was another him entire to which his attention had placet the duration of the continuous of the county recorder and county treasurer at wo years instead of four. This action would, he said, make it necessary for the convention to numbers present of the county recorder and county treasurer at wo years instead of four. This action would, he said, make it necessary for the convention to numbers could possibly be affected by such a change. The Legislature could enact no law that would be retroactive in its provisions. However, to be on the safe side, he would favor the nomination of a treasurer an recorder, and then leave the matter in the hand of the county central committee.

Henry Wallace then moved that the present hucumbests be nonclinated to

the matter in the central committee. Henry Wallace then moved that the present incumbests be nominated to succeed themselves, and his motion

prevaled.

In answer to the queries of a member as to who the present incumbents were, it was explained that George M. Cannon was recorder and M. E. Cummings treasurer.

After a short benediction by the chaplain the convention adjourned.
